

MRS. Blum,

Thank you for being the most positive teacher I have had in high school. The presence you bring to the classroom and school is unmatched. Although I don't believe it is possible to be in that good of a mood all the time, you do a wonderful job at keeping a positive learning environment that I have enjoyed throughout high school. I have never had to wonder if Spanish would be boring because we know you'll make it fun!!

Dear Mrs. Blum,

I would like to say thank you for all that you have done for me in your classroom this year and the 2 previous. You're class gives me a much needed stress break throughout the day as you always try to make it as stress free as possible and I'm grateful for that. Your class was by far the easiest to follow during quarantine and I'm grateful for the time you took to prepare for the situation I was in. Thank you for being the most awesome, fun, and caring teacher in my school.

Gracias,

Lucy

Mrs. Blum,

I'm thankful for you always having a positive presence in class everyday and making it easier to learn Spanish. Spanish is not an easy subject any teacher can teach but I think you do an awesome job at it. I'm also glad that you do your best to get the most out of students. I want to thank you for making class fun and better than some classes.

Thank You,

Dear Mrs. Blum

Everyday I look forward to coming into Spanish III in the afternoon, even though it is right after lunch so everyone is low energy. I love walking into the classroom with Spanish music on (specifically El Patoje), that just makes me want to jam out. Your high energy everyday is awesome, even when you are having a bad day. No one notices, because your so upbeat and helping everyone else. To Spanish with you as the teacher has always made it easier to learn a language that a few years ago, I was unfamiliar with. I appreciate everything you do, and will forever be grateful for how great of a teacher you are.

Your Student,
